PRODUCT DESCRIPTION

Choose our Entac magnet camping lamp to be able to provide light for all nights of the camping experience. The product has a 1W output and a 20 lumen brightness and operates with 3 AAA batteries. Its operating time is a maximum of 4 hours. It is available in black, red and green color versions. The lamp is also equipped with a magnet and hanger that enables us to use it anywhere while camping to provide the light we need.

The Entac Flashlight category includes numerous other products. Learn more about these on the following [link](#).
