PRODUCT DESCRIPTION

Choose our Entac camping lamp to be able to provide light for all nights of the camping experience. The focusable zoom head makes light control even easier. The product has a 1W output and a 20 lumen brightness and operates with 3 AAA batteries. Its operating time is a maximum of 6 hours. It is available in green, black, blue and red color versions. The lamp is also equipped with a hanger that enables us to use it anywhere while camping and also provide the light we need.

The Entac Flashlight category includes numerous other products. Learn more about these on the following [link](#).
