BOX PICTURE

Dress up your terrace, balcony or home for the Christmas holiday with Entac Christmas lights featuring a timer! An essential piece of classic Christmas decoration. The product also features a timer that provides 6 hours of continuous operation, then after 6 hours it switches off for 18 hours, followed by another 6 hours of light.

Our Christmas lights featuring a timer are available in warm white (WW) or cool white (CW) color temperatures, as well as in a multicolor, RGB version. Due to its IP44 protection, it can be used both indoors and outdoors. The 4 and 7-meter long string features 96 LEDs, while an additional 30 centimeters of cable ensures convenient access to the battery box. The product works with 3 AA batteries not included in the package.

You may find the detailed operating instructions in the box.
