**BOX PICTURE**

Dress up your terrace, balcony or home for the Christmas holiday with Entac Christmas lights featuring a timer! An essential piece of classic Christmas decoration. The product also features a timer that provides 6 hours of continuous operation, then after 6 hours it switches off for 18 hours, followed by another 6 hours of light.

Our Christmas lights featuring a timer are available in warm white (WW) or cool white (CW) color temperatures, as well as in a multicolor, RGB version. Due to its IP44 protection, it can be used both indoors and outdoors. The 4 and 7-meter long string features 96 LEDs, while an additional 30 centimeters of cable ensures convenient access to the battery box. The product works with 3 AA batteries not included in the package.

You may find the detailed operating instructions in the box.

The Entac Christmas lights category includes numerous other products. Learn more about these on the following [link](#).
