BOX PICTURE

Dress up your terrace, balcony or home for the Christmas holiday with Entac Christmas Cluster Lights! An essential piece of classic Christmas decoration with the dense, clustered arrangement of LEDs contributing to the perfect Christmas mood. The 8 different lighting modes provide playful light shows.

Our Christmas cluster lights are available in warm white (WW) or cool white (CW) color temperatures, as well as in a multicolor, RGB version. Due to its IP44 protection, it can be used both indoors and outdoors. The 8 and 14 meter long string features 400 and 700 LEDs respectively, while an additional 5 meters of cable ensures convenient access to a power source.

You may find the detailed operating instructions in the box.

The Entac Christmas lights category includes numerous other products. Learn more about these on the following [link](#).
