Dress up your terrace, balcony or home for the Christmas holiday with Entac Christmas LED strings! An essential piece of classic Christmas decoration. The 8 different lighting modes provide playful light shows.

Our Christmas LED strings are available in warm white (WW) or cool white (CW) color temperatures, as well as in a multicolor, RGB version. Due to its IP44 protection, it can be used both indoors and outdoors. The 9, 14 and 24-

meter-long strings feature 120, 180 and 240 LEDs respectively, while an additional 5 meters of cable ensures convenient access to a power source.

You may find the detailed operating instructions in the box.

The Entac Christmas lights category includes numerous other products. Learn more about these on the following [link](#).
