Dress up your terrace, balcony or home for the Christmas holiday with Entac Christmas lights with remote control! You can easily switch between the 8 lighting modes with the help of the remote. The product also features a timer that provides 6 hours of continuous operation, then after 6 hours it switches off for 18 hours, followed by another 6 hours of light.

Our remote-controlled Christmas lights are available in warm white (WW) or cool white (CW) color temperatures, as well as in a multicolor, RGB version. Due to its IP44 protection, it can be used both indoors and outdoors. The 5-meter long string features 50 LEDs, while an additional 30 centimeters of cable ensures convenient access to a power source. The remote control works with 3 AA batteries not included in the package.

You may find the detailed operating instructions in the box.
