PRODUCT DESCRIPTION

The Entac pen aluminum flashlights with a belt clip will provide the light you need in every situation. Let it be a power outage, an excursion, a dark winter morning or any other situation, our flashlights and torches will come handy. With IP44 protection this aluminum flashlight with a belt clip can also be used in wet conditions, while the aluminum case ensures its durability. With its thin design you can easily light narrow areas as well, while the belt clip makes this product extremely portable. Light is provided by a 1W and 10 lumen XPE LED, granting a visual range of up to 10 meters. The flashlight works with 2 AAA type batteries. Its operating time is a maximum of 4 hours.

The Entac Flashlight category includes numerous other products. Learn more about these on the following [link](#).
