PRODUCT DESCRIPTION

Light up your garden or garage entrance with outdoor solar lights from Entac. The ball head provides a simple and minimalist effect. Due to their solar function, these products offer an energy-efficient and affordable lighting option. The products are available in heights of 38, 51 and 56 cm. The lamps operate with a Ni-MH 1.2V 200mAh built-in battery where lighting is provided by 1 white LED. Due to their IP44 water and dust-proof properties, they are truly long-lasting. Their operating time is a maximum of 8 hours.

The Entac Solar light category includes numerous other products. Learn more about these on the following [link](#).
