The Entac Superglue instant adhesive is a must-have in households as it enables quick and easy gluing for a variety of objects. It provides a strong and long-lasting effect, thus it extends the life of our favorite objects. It can be used universally on wood, metal, glass, plastic, leather and ceramics as well. It is available in 2 and 3 gram liquid versions as well as in gel form in a 3 gram packaging.

Entac has a number of different product categories that can be viewed at the [link](#) below.
